PLAY:5 BENEFITS

SONOS HiFi SOUND

Five custom-designed speakers powered by five dedicated digital amplifiers (two tweeters, two mid-range drivers, and one subwoofer driver) provide crystal-clear, high-quality sound.

STEREO PAIR FOR BIGGER SOUND

Turn two PLAY:5s into separate left and right channel speakers for big stereo sound in one room.

SONOS WIRELESS HiFi SYSTEM BENEFITS

HiFi SOUND AND ROCK-SOLID WIRELESS

Experience your favorite music from the only wireless music system that combines warm, full-bodied HiFi sound with the most powerful solutions for delivering rock-solid wireless performance in any home.

STREAM ALL THE MUSIC ON EARTH

A single app lets you play your entire music library, stream all of your favorite Music Services and tune in to more than 100,000 Internet Radio stations and podcasts. Play the same song in every room, in perfect sync—or play different music in every room—from any source.

SIMPLE TO SET-UP, CONTROL, AND EXPAND

Control your favorite music sources and listening experience with a free app for iOS, Android, Mac or PC. And since it is a modular system, you can easily add music to more rooms with a simple button press.
